Let Silpada Inspire Your SPRING Style!

Please join me to see the new Silpada collection as the NEW Spring/Summer catalogue is out...at a fun party, with no formal presentation - just friends and fabulous jewellery! All the jewellery is handcrafted .925 Sterling Silver Jewellery (all nickel free) plus ALL of the jewellery has a lifetime guarantee and is delivered directly to your home in approximately one week.

Please feel free to bring a friend...the more the merrier! Come for an hour or stay the whole time, I'm sure you'll have a great time trying on all the new jewels!! I know you will love the Silpada Jewellery as much as I do.

Find that Mother's Day Gift..... You can find the perfect gift for someone or just treat yourself - you certainly deserve it!

If you are unable to attend my Party just click this party link: <http://sild.es/Sp0> and you will be able to view the entire Silpada collection and *Place an Online Order* which will be linked to my party.

But remember the pieces are so much more beautiful in person!! Can't wait to see you at the party!!!
